

COVANCE[®]

THE DEVELOPMENT SERVICES COMPANY

Ignition proprietary website content development (^{new} module)

- Primary DMUSA; may include DMUSA-SCIENCE

- Module that tells story re:

- DMUSA development goal
- Accomplishments (Paper Select; a 2y in the market)
 - > patents
 - > results (what it does)
- What is going on → future developments
- Issues: e.g. NIST test

- Question to CA/Gov. Aff: Timing? [we are in the middle of the comment period for NY State bill
also Federal Legislation activities (Jul
nothing out there (a)]

* Mark Whetstone (who initiated this 03/19/03) will be website language re IP is already out

* Mike Hawking (Hector's group) will share materials with us by 03/21/03

* Hector is informed and supportive, asking the timing question

* Plan to meet with Hawking et al + Raymond next week

(a) Phil: 1-pager will
